1. Monthly payment payable at the start of each month
2. LTKD aims to operate 38 of the main scheduled classes per annum
 - 2.1. This allows for the main scheduled class not running during key holiday periods (e.g. Easter, Summer, Christmas, Bank Holidays).
 - 2.2. If we have to cancel a scheduled class we make all reasonable effort to put on an additional class to compensate. This may be on a different day / time (primarily due to hall availability)
3. Non-payment may result in the student losing their place at the club
